A BETTER APPROACH TO ADDICTION TREATMENT

MEET BRIGHTVIEW.

For you, a friend, or loved one, recovery has never been more accessible.

Finally, an addiction treatment program that meets peoples' needs. Here, we treat addiction like a disease and we treat patients with dignity and respect.

We offer medication assisted treatment (MAT), counseling, groups, and case management services. If you've tried another recovery program, you'll appreciate our friendly, clean centers and comprehensive approach.

At BrightView, real people answer the phone 24 hours per day, seven days a week, 365 days per year. You can also learn more or schedule on our website.

At BrightView, patients receive medication to manage withdrawal and complete their first counseling session within four hours of walking in.

At BrightView, 90 days makes a big difference. Patients report a 60% decrease in arrests and 33% decrease in emergency room visits during that time.
