FREE healthcare with dignity in your neighborhood!

WHO ARE WE?

The CommunityCare Clinics' primary missions are to provide free quality healthcare in Toledo as well as to raise healthcare awareness in the neighborhoods of those we serve by working closely with various community partners. The CommunityCare Clinics constantly strives to improve our impact in the community. All on-site services are free while outside referrals are based on a sliding payment scale.

Services We Offer:

- Comprehensive primary care
- High blood pressure and diabetes education and management
- Chronic care management
- In-house pharmacy
- Work, school or sports physicals
- Assistance applying for health insurance
